

Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

- (L) 10 minutes to prepare
- 1 hour to collaborate
- 2-8 people recommended

Before you collaborate A little bit of preparation goes a long way with this session. Here's what you need to do to get going. ① 10 minutes Team gathering
Define who should participate in the session and send an invite. Share relevant information or pre-work ahead. Set the goal
Think about the problem you'll be focusing on solving in the brainstorming session.

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.
